MEMORANDUM FOR D. IVY, INSTITUTION PROGRAM COORDINATOR

FROM: (b)(7)c

SUBJECT: Training and Certification for Electronic Search Devices

On 1-3, 2008, (b)(7)c

received training on Electronic Searching Devices, which include the Rapid Scan X-ray machine and the General Electric ION Track Itemiser 3. According to the Institution Supplement CRW 5520.01, Ion Spectrometry Devices, you have been properly trained and assigned operator level privileges to perform basic functions such as calibration, analyzing, sampling procedures and recording test results.

According to Program Statement P5510.12, Searching, Detaining, or Arresting Visitors To Bureau Grounds and Facilities, you have been properly trained and certified in operating electronic searching devices.
